

Telehandler Inspection Checklist

Serial Number		Thorough Examination Expiry Date	
Site		Week Commencing Date	

Ensure you are on suitable ground before conducting functional tests.

If any faults are found note them on this sheet (use the back if required) and inform your Manager / Supervisor immediately.

Do not operate the machine if it has faults!

Hand this sheet to your Manager / Supervisor at the end of each week.

✓=OK	X=Fault	NA=Not applicable / Not checked
-------------	----------------	--

ON THE MACHINE, OUTSIDE THE CAB
